

ANSWERS FROM LAST WEEK:

1. (Where do children never want to go, but once they get there they don't want to leave?) **Into bed!**
2. (We know that a *bechor* receives a double portion of the inheritance. Can you figure out how this is symbolized in the word בכר?) **Each letter of the word בכר is double that of the letter preceding it. In the aleph-beis: beis (2) is double of aleph (1), chaf (20) is double of yud (10), and reish (200) is double of kuf (100). (Ba'al HaTurim)**
3. (What am I? I am taken out of the ground and inserted in a wooden case. No one ever takes me out of that wooden case, but I am constantly being used.) **Lead in a pencil.**
