SWEATERS / SWEATSHIRTS
WASHABLE DRESS PANTS

*cold water
hang to dry*

TOWELS

*warm water
dryer*

CLEANERS

*suits /anything wool
shirts (before your parents visit)*

TIPS

- You only need a little bit of detergent per load.
- If you make sure to take everything off inside-in when putting it in the hamper, you'll save about 10 minutes of time when folding.
- The sooner you fold your clean laundry, the less wrinkled it'll be.
- Hang shirts while still a bit damp or as soon as they're dry if you don't want to iron them.
- Sweaters should be washed with your dress pants and laid flat to dry.
- Put your tzitzis in a mesh bag before adding to your white load and they should be hung to dry.
