

MY SPACE DECLUTTER CHALLENGE

1

your **BEDROOM**

This space should say "serenity" rather than "stress." Clear out – put away any "stuff" that's out in the open.

2

your **NIGHTSTAND**

What do you really need by your bedside? What would you enjoy having here? Clear top of nightstand to essentials.

3

your **HANGING CLOTHING**

Limit your hanging by the space you have. Everything else must go. Organize by simcha wear, Shabbos, everyday.

4

your **FOLDED CLOTHING / PJS**

Donate or sell clothes you haven't worn in the past year.

5

your **ACCESSORIES & INTIMATES**

Toss ruined, stretched out or items you don't wear. Limit to the drawers/shelves you have.

6

your **SHOES**

Throw out the worn out pairs, donate the good condition ones you no longer want, and take shoes that need repairs to the shoemaker.

7

your **MAKEUP**

Toss and replace old makeup, clear out the colors you don't like anymore, and clean/replace your makeup organizer/storage.

8

your **BATHROOM**

Clear the bathroom counter. Dispose of empty or expired products. Remove items that don't belong in the bathroom.

9

your **PERSONAL PAPERWORK**

Sort through paperwork. Shred/toss unnecessary documents and organize important ones.

10

your **CAR**

Remove trash and items that you don't need in your car. Empty the glove compartment and organize it. Get a car wash if time allows.

11

your **PURSE**

It helps to only use a really small purse! Otherwise, empty it out and be really selective about what you choose to carry around.

12

DONATIONS RETURN DAY

Put the bags in your car and drop them off. Now is the time to take care of it!
