By Torah Umesorah Chaim and Chaya Baila Wolf Brooklyn Teacher Center

By Mrs. Shaindy Fleischman

**Grade Level:** Early Childhood

## **Description:**

A fast paced game that utilizes your students' discrimination skills and reviews Pesach-themed images! A picture card is displayed and students attempt to find the matching picture from amongst many other pictures on a large game board. The first to find the match gets to keep the card. Play this game during center time at school and/or send home for a fun family activity over the Pesach break.

## **What to Download:**

- Download the print-ready PDF file (includes lesson plan/instructions).
- OPTIONAL: Download the editable Publisher files (does not include lesson plan).
- OPTIONAL: Download the JPG file for the complete game board (does not include lesson plan).

Please note: When choosing an editable file, depending on the version of the program that you are using, and the fonts that you have, the document may not appear exactly as it was originally intended and/or it may not exactly match the PDF that we provide.
